Dear Sir/Madam,

I am writing to apply for the advertised position of Lecturer in Religious Education at the Australian Catholic University.

The time has come for me to give something back to the world and this position is an opportunity to shine.

I know a lot about God and only yesterday watched that Mel Gibson Jesus movie on DVD. It was cracking entertainment. All the blood and whipping just made it ever so special. Mel Gibson is such a talent; you can't go past Braveheart or Mad Max 3 Beyond Thunderdome for a top night in.

I am curious to find out if the role would involve any teaching of 17-18 yr old female students, as I would love to help out any lost souls in this age bracket.

The Australian Catholic University is just super! All those Catholic things like the Pope and drinking wine make for a really special religion.

I am a pretty special type of guy. I would relish the chance to watch some DVD's (Mel Gibson or anything with Bruce Willis), drink heaps of wine and chat about my future at the Catholic University.

I look forward to meeting you soon.

Kind Regards
