## FS or SWAP : HTC Desire (BNE)

---

Hi guys,

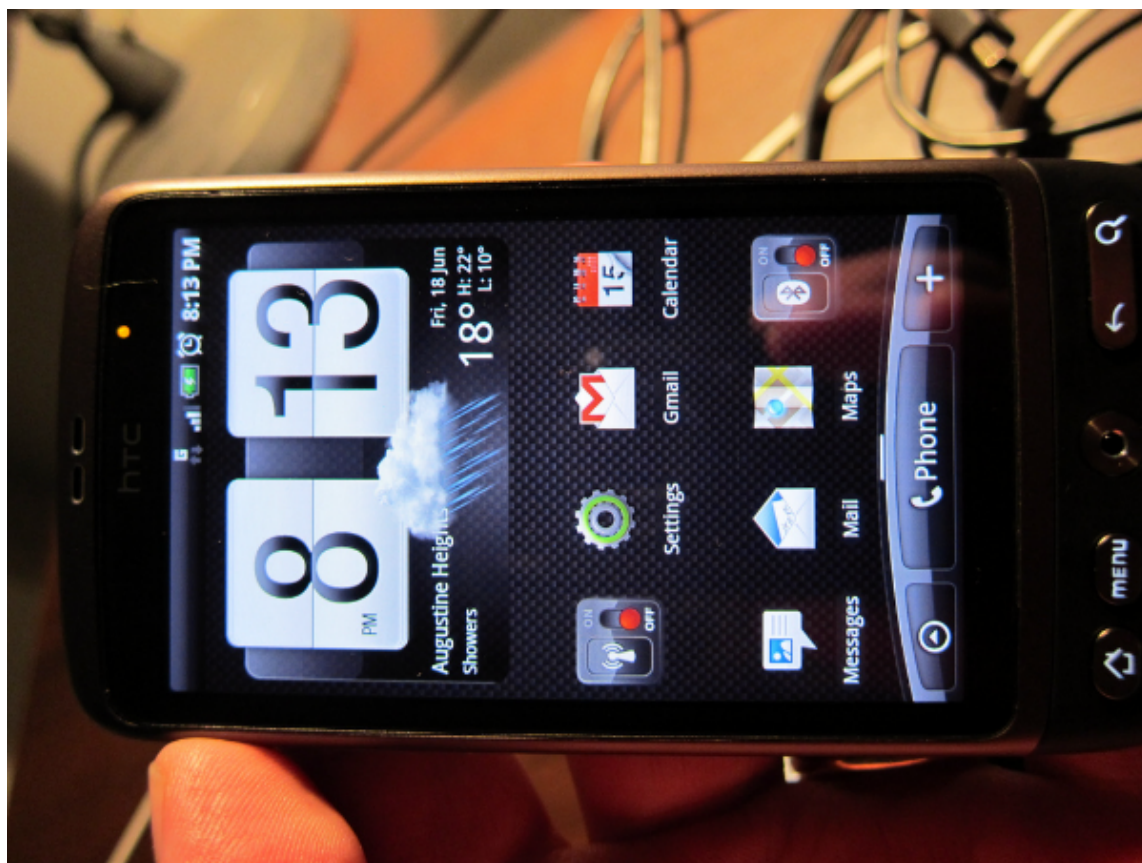

I have a new(ish) HTC Desire that I bought a few weeks ago. It's unlocked and is the NON NextG version (900 & 2100 Mhz)- I have had it working on Vodafone and Optus. Works great.

All the usual accessories - untouched and in the box. Plus I put a Sandisk 16gb microSD card in it for good measure.

I'd like to sell it for around the \$650 mark. Failing that I will swap for a 3GS (but it MUST be in as new condition).

PM me any/all offers.

Kevin

Can I think on it for a couple of days? There are a couple of things happening this week that may sway me to take this deal. Let you know tomorrow night...

Thanks for the offer.
