

Colleagues

This morning I was sworn in as Premier of NSW, along with Andrew Stoner who was sworn in as Deputy Premier. It is a great honour and an exciting responsibility.

My Government was elected on our five-point plan to make NSW number one again.

It includes:

1. Rebuilding a strong economy;
2. Restoring quality services;
3. Renovating essential infrastructure;
4. Restoring honesty and accountability to Government; and
5. Returning power and decision making to the community.

I know that our plan can only be delivered with the support of a creative, innovative and world class NSW public service.

Over the next four years I look forward to working with you to implement our policies to ensure the community receives the highest standard of service from its new government.

Yours sincerely

Barry O'Farrell
